

## An Introduction

A **disability** is any condition that makes it more difficult for a person to do certain activities or interact with the world around them. These conditions, or impairments, may be cognitive, developmental, intellectual, mental, physical, sensory, or a combination of multiple factors. Impairments causing disability may be present from birth or occur during a person's lifetime.

The Disability board of GMCH-, Sector-32, Chandigarh order no. GMCH-HAII-EA3(74B)-2018/43993-44008 Dated 09.11.2018 has the following constituted members.
